St. Francis Substance Free After-Grad

This year, St. Francis Catholic Secondary School is planning on hosting a Prom and After-Grad event on May 31st to recognize the achievements of the Class of 2025. This is an opportunity for the graduates to celebrate in a safe, substance-free environment with their fellow classmates.

Over the years, the business community of Whitehorse has been incredibly supportive of this event. We understand that you must receive an abundance of requests from other organizations, asking for your support. We hope that your company will consider making a donation. These donations may be used as prizes for the graduates in attendance at this year's festivities. Both cash donations and items are appreciated. The graduating class of 2025, and organizers, sincerely welcome any help that you would be able to provide. Cheques can be made out to St. Francis of Assisi Grad Society or e-transfers can be sent to stfagrad@gmail.com

This year we would also like to offer businesses the opportunity to be official grad sponsors. Any businesses that make a donation valued at \$500 or greater will have the option of having their business branding featured in this year's yearbook, in addition to being highlighted in the prom/grad programs and on signage present at the event.

If you have any questions or concerns, please feel free to contact the school at 667-5901 or send an email to tanner.cassidy@yesnet.yk.ca.

Sincerely,
The 2025 Grad Advising Team
